

PENNZOIL LITHIUM MP EXTRA GREASE

Review Date: 20 January 2025

PRODUCT DESCRIPTION

Pennzoil Lithium MP Extra Grease #2 is a lithium multipurpose grease that offers excellent oxidation stability. It also provides water resistant and protection against rust and corrosion.

The grease is formulated with paraffinic mineral base oils and thickened with lithium soap.

APPLICATION

Pennzoil Lithium MP Extra Grease #2 is suitable for a wide variety of applications such as in general automotive and industrial applications, industrial ball and roller bearing and rolling element bearing applications in moist environment.

Recommended operating temperature range of Lithium MP Extra Grease is -15°C to +130°C

BENEFITS

- Excellent oxidation stability
- Good water resistant
- Protect against rust and corrosion
- Helps to extend component life

SPECIFICATIONS

- NLGI 2
